published on (August, 2004) Lucille Jieh Yu**

Feng Shui And The Western Tradition Tao is the eternal, natural universal law. The study of Feng Shui begins with understanding the presence of the Tao in nature and in humanity. True learning of Feng Shui begins when we acknowledge our place in the universe. Feng Shui Masters know that all things come from the Tao and return to the Tao, and that change, or transformation is that which sets in motion the coming and going of all thin... Full description
