CPhoto V5 - Slow Motion Marta Gili, André Rouillé

Ivory Press' "C Photo" series is a five-year project that follows on the heels of "C Photo" magazine, departing from its predecessor's format by structuring each issue thematically, with guest editorships from various internationally renowned curators. Their fifth volume, "Slow Motion, A Camara Lenta," features a selection of photographic essays from a variety of artists, from emerging talent to more established figures, that show the tension between synchronic and asynchronous time. By analyzing and arranging the results of carefully slowed-down events, this alternative style of narration allows the viewer to look at time in segments. Contributing photographers are Alinka Echeverria, Paul Graham, Rob Honstra, Carlos Irijalba, Jochen Lempert, Zoe Leonard, Santu Mofokeng, Mathieu Pernot, Sophie Ristelhueber, Ahlam Shibli, Bertien van Mannen and Raffael Waldner.
